

Jerome Brown Bio

Jerome Brown is a young visionary with experience in both large fortune-500 companies as well as small startups. Mr. Brown joins CLIMB as an operations assistant poised to help spread the message of personal finance and wealth building for generations to come. A goal-driven individual who takes action and gets things done. Mr. Brown aspires to educate and inspire others throughout the community to fulfill their dreams however crazy they may be.

He knows what it's like to dream big and strive for greatness. Himself paying his way through college by working part-jobs. Along with gaining exceptional professional experiences by taking initiative in building the resume he wanted. Jerome has a passion for learning, innovating, and solving problems.

He will receive a Bachelor of Arts in Economics with a certificate in Global Health from the University of Wisconsin Madison. He is an avid reader of philosophy, history, and business/economics. In his free time, he enjoys writing, learning new things, and spending time with friends and family. Jerome is currently working to start his own business and loves to spend time in his hometown of Milwaukee.
