

Go4it! Success Institute Presents...

KGs, MCs & OGs

A Virtual Mash Up of Artists, Entertainers, Movers and Shakers!

10am-12pm CST
Saturdays in April, 2022

The world of Artists and Entertainers seems like an endless smorgasbord of fun, fame, glitz and glitter. While there is some of that, there is also work, strategizing, learning, creating ... and more work behind the success of artists and entertainers. This Special Go4it! Success Institute will provide participants rare insight into the realities of the lives of creators, artists and entertainers who are “making it” in various quadrants of the entertainment world.

The Go4it! Artists and Entertainers Mash Up Series will provide teenage and young adult participants opportunities to meet and learn from BIPOC artists and others who are blazing their own entrepreneurial trails in the entertainment world.
