REAL ESTATE: OWNERSHIP AND DEVELOPMENT: THE PREQUEL

The Go4it! Real Estate Series will provide teenage and young adult participants practical education and exposure regarding:

- *The importance of home ownership*
- *Real Estate careers and specialization opportunities*
- *Real estate development*
- *Financing sources, strategies, and structures*
- *Government, nonprofit and higher education training, and support programs*

*Thank you to our
collaborators:*

Saturdays in November 2022
- 5th, 12th & 19th
@ 10am - 12noon CST

Real Estate is a proven pathway to building wealth. In fact, real estate can accelerate wealth building because most real estate transactions involve OPM and leverage. And opportunities in real estate are limitless for those who understand it. In addition to home ownership, persons can build income and wealth through a plethora of real estate management, development and investment strategies.
